- hex codes, font types and style guide
- A logo folder with all the different sizes, formats, and colour options needed
- Full ownership

Portfolio

What's next

Simply email info@ccwebsitedesign.com confirming that you would like to accept the logo package of \$150.

You will then receive an email with your client portal login details
When you login you will find a copy of your invoice to make the full payment
You will also find a logo design intake form to complete

Once completed we will get straight to work and provide you with the first 4 logo concepts.

You will then select your favourite logo concept and provide feedback and we will edit as requested 3 times.
Once approved you will receive a link to a Google Drive folder with all of the logo files and your brand board.

I hope to hear from you soon and begin working together on your brand =)
